

**The VT-HEC
Presents...**

**Learning Profile Analysis for
Struggling Learners: Advanced
Assessment Topics with
Jen Patenaude**

**March 15 & 16, 2012
8:30-3:30**

Capitol Plaza - Montpelier, VT

The workshop is for practitioners with a solid foundational understanding of norm referenced assessments and standardized scores. The workshop will include an overview/ comparison of measures of intelligence, discussion of the causal relationship between cognitive and academic achievement testing, strategies for choosing the tools that best align with evaluation concerns, common learning disability profiles and subsequent implications for learning and programming.

Cost: \$350 (Must attend both sessions)
